

CLASS OF 2016

The College of Architecture, Design, and the Arts is a unique association of schools, departments, and centers whose programs focus on the exploration of our physical, social, and sensory environments. The purpose of the college is to give a foundation for professional careers in architecture, art and art history, design, and theatre and music. The curricula in each of the units also give students the opportunity to develop a broad understanding of the related disciplines within the college and to explore the extensive resources of the University of Illinois at Chicago.

YOU’LL NEVER WALK ALONE

Music by Richard Rogers
Words by Oscar Hammerstein

When you walk through a storm hold your head up high
And don’t be afraid of the dark.
At the end of the storm is a golden sky
And the sweet silver song of a lark.

Walk on through the wind, walk on through the rain
Tho’ your dreams be tossed and blown.
Walk on, walk on with hope in your heart
And you’ll never walk alone.
