Greetings to the Class of 2015:

On behalf of the Board of Trustees and the almost 13 million residents of our great state whose interests we represent, I congratulate you, graduates of the Class of 2015.

I hope you are as proud and happy to be here today, on the Chicago campus, as I am—proud to be an alumnus of our most noble and exemplary institution.

Your Illinois education has provided you with a strong foundation upon which to realize your goals. No matter what you do and where you go, that education will help you achieve your dreams.

Not only does the University of Illinois provide unparalleled, high-quality education, it also is a powerful engine of innovation and excellence that benefits both our citizens and our economy. And, in these days of ever-increasing globalization, our university’s efforts benefit not just Illinois, but people and institutions around the world.

Today I am pleased to welcome you to one of the largest alumni associations in the world: alumni who lead by example with ingenuity, compassion, and hard work, strong Illinois values.

Whether you stay in our wonderful state or go elsewhere, you’ll always carry a piece of the University of Illinois in your heart. I urge you, in all you do, to promote, protect, and preserve our grand legacy of learning and labor.

May you share the pride I have in our university and may you spread our tradition of Illinois excellence wherever your journey might take you.

Edward L. McMillan
Chairman of the Board of Trustees
Congratulations to the Class of 2015:

I’m delighted to add my congratulations and join this celebration for all of you, the Class of 2015.

Today’s commencement will always hold special memories for me. It’s my last before I step away into retirement after a long, proud connection with the University of Illinois that began as a doctoral student in 1973.

As the next chapter in your journey begins, I wish for all of you the lifetime of happiness that my education here has given me. It has opened doors of opportunity that I could never have imagined and taken my career to heights beyond my dreams.

Now, those same opportunities are yours as you head out on a path paved over generations by visionary leaders, pioneering faculty, and distinguished alumni who have made the University of Illinois synonymous with excellence.

Their achievements have earned the university a place among the world’s best—a legacy that will only grow through your success and the commitment of a new generation of leaders who will continue our rise.

I can’t tell you what an honor it has been to serve you and this great university. And 20, 30, or 40 years from now, when you’re asked where you earned your degree, I hope you feel the same sense of pride that I do when I say “University of Illinois.”

Congratulations again, Class of 2015, and please take time to thank the proud family and friends who have supported you along the way. Enjoy your day, and come back often. Like the lessons you learned here, your bond with the University of Illinois lasts a lifetime.

Robert A. Easter
President
Dear 2015 Graduates:

Congratulations!

On this day you celebrate an enormous achievement. Your family, friends, partners, fellow students, and professors all join me in honoring your hard work and the sacrifices you’ve made to attain your degree. We are proud of you, as you must be of yourselves.

Your journey as students has reached an apex. You have been serious, eager, and challenged in your learning and exploring. You have discovered more about yourselves and the world beyond UIC. Many of you are the first in your family to attend college, and many have worked one or more jobs to pay for your education. Today, we celebrate together the results of your efforts.

You are now UIC alumni. You are the next generation of UIC ambassadors. As you build your future, with your education as your foundation, you will remain an important part of our community. We hope you will have a lifelong connection to UIC, whether you return to attend cultural and athletic events, mentor students following in your footsteps, or continue your own education. You are an essential part of our growing community who proudly call UIC their alma mater.

Today we are here to recognize your achievements. I offer you my best wishes on all your future endeavors, and I urge you to return to UIC often.

Sincerely,

Michael D. Amiridis

ACADEMIC DRESS

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century and was worn primarily for warmth. Subsequently, material of the gown and the lining and the shape of the hood represented the economic and social as well as the academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code the bachelor’s gown has pointed sleeves, the master’s gown has oblong sleeves with an arc at the bottom, and the doctor’s gown has bell-shaped sleeves. All gowns were originally black, although the adoption of colored gowns by individual institutions in the United States is becoming more prevalent.

The bachelor’s and master’s gowns are untrimmed. The doctor’s gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or may be the color of the subject to which the degree pertains. Material of the gown and hood for the bachelor’s and master’s degree is usually of cotton poplin, and for the doctor’s degree, of rayon or silk ribbed material. The bachelor’s gown is worn closed; the master’s and doctor’s gowns may be worn open or closed. Women may wear white collars with the bachelor’s gown when no hood is worn.

The hoods, which differ in length for the three degrees, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. The bachelor’s hood is three feet in length; the master’s hood is three and a half feet, and the doctor’s hood is four feet long. At the University of Illinois at Chicago the lining of the hoods is flame and indigo. For PhD students, the trim of the hood is indigo. For other doctoral students and for master’s students, the velvet trim at the edge of the hood denotes the field of study. UIC graduating seniors do not wear hoods.

The mortarboard cap is standard in the United States. Usually all tassels are black, but where the graduating seniors do not wear a hood, as at the University of Illinois, the color of the cap tassel indicates the type of degree earned. Students receiving a bachelor of arts degree wear white tassels; those receiving a bachelor of science degree wear gold. Doctor’s caps may have tassels of gold thread. At the University of Illinois, candidates for degrees wear tassels on the right front quadrant of their caps before degrees are conferred and change them to the left front quadrant after degrees are conferred by the president. Caps are considered a part of the costume.

Gold, silver, and bronze cords worn by some graduating seniors signify the three levels of University Honors. Gold cords signify summa cum laude, silver cords signify magna cum laude, and bronze cords signify cum laude. Gold stoles identify graduates who are members of the Honors College. Red cords distinguish students who have been recognized for service and/or leadership. Some students also wear cords or stoles signifying their membership in campus organizations or activities. The Jewel of Office and Gold collar, which is worn by the president, was presented to the university by the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the collar are engraved the names of the presidents of the university and their years of service. Trustees of the university are identified by their blue gowns with blue velvet panels outlined in orange cord.

For all academic purposes, the colors associated with the different subjects are as follows:

(UIC does not offer all of these degrees; however, faculty and platform party members may hold degrees in these areas.)
This program contains official lists of names of graduates who received degrees in summer 2014 and fall 2014 and unofficial lists of names of candidates for spring 2015 graduation. The names of spring 2015 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois at Chicago’s official registry for conferral of degrees is the Office of Admissions and Records.

The following symbols are used in this program:

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students and students within the College of Pharmacy participating in spring 2015 Commencement ceremonies honoring students who earned degrees summer 2014, fall 2014, or spring 2015.

Summa cum laude ("Highest praise"): 3.90 and above grade point average

Magna cum laude ("High praise"): 3.75 to 3.89

Cum laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for spring 2015 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.
Doctoral (all Doctor of Arts, Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, and Doctor of Philosophy) and master’s (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.

America the Beautiful
by Katharine Lee Bates

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

The Star-Spangled Banner
by Francis Scott Key

O say can you see, by the dawn’s early light,
What so proudly we hail’d at the twilight’s last gleaming,
Whose broad stripes and bright stars through the perilous fight
O’er the ramparts we watch’d were so gallantly streaming?
And the rockets’ red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O’er the land of the free and the home of the brave?
