

COMMENCEMENT

UNIVERSITY OF ILLINOIS CHICAGO
May 3–6, 2023

DONALD J. EDWARDS

CHAIRMAN OF THE BOARD OF TRUSTEES

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus of the U of I System, I am honored to bring greetings and congratulations to the Class of 2023.

I hope that these past few years and your experiences here at UIC have been some of the best, most rewarding . . . and most challenging . . . of your lives. Although it has been quite a few years since I sat in your seat at my own graduation, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future would hold. That is understandable. But rest assured that your experiences here, both in and out of the classroom, have provided you with the foundation to succeed and flourish.

Now take that foundation and build on it. Follow your passions, find your path, and never stop learning. As you take the next steps in your life's journey, know that you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks—more than 800,000 strong from across the University of Illinois System's three best-in-class universities. You will find us in just about every country on Earth. I hope you will carry our flag with pride, with your successes adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps.

I hope you also will come back to campus often to share your achievements, your experiences, and your insights. And, as you are out there building your career and making the world a better place, know that those of us still here at the U of I will still be working for you, ensuring that the value and prestige of your UIC degree will continue to grow.

Congratulations again, class of 2023!

TIM KILLEEN

PRESIDENT

To the Class of 2023, congratulations!

You now sit before a door that opens onto opportunity, and your years at the University of Illinois Chicago have prepared you well.

The memories you have made on the way to this moment, the friends and colleagues who are now a part of your lives, and the exploration you have undertaken these past few years have transformed you and given you the keys to what lies ahead.

And now, with commencement, you can enjoy a well-earned sense of pride and achievement.

Your accomplishments and your ability to adapt and innovate, as well as the sense of civic responsibility you have shown during your time at UIC, will serve you well in the years ahead. Take some time today, though, to reflect on this milestone and all that you have learned along the way. Today is among the small handful of days in your lives that you will remember for as long as you live. Savor it, every minute.

As you do, celebrate with those who believe in you and have supported you along the way.

In the future, when you return, we look forward to sharing in your discoveries and successes.

I am deeply honored to celebrate with you.

Congratulations again, Class of 2023!

JAVIER REYES

INTERIM CHANCELLOR

It is a privilege to write this letter to you, our graduates, to congratulate you for meeting the demands of your academic responsibilities at the University of Illinois Chicago.

Over the course of your studies at UIC, the world was faced by a pandemic unprecedented in our lifetimes, and you were asked to adapt to a new way of learning nearly overnight. The fact that you are here is testament to your success and perseverance. Now, as we look forward in an environment largely having returned to normal, you are about to embark on the next big chapter in your lives.

However, the world has indeed changed over the course of your university education, and so have we all. Rather than reverting back to the expectations of the prepandemic norms, I urge everyone to use the tools of innovation you acquired over that period to identify the positive changes you have learned in order to create a better, more inclusive, equitable, and sustainable vision for the future. It is now in your hands to create change.

Creating change requires you to embrace innovation. Even today, as artificial intelligence and machine learning have brought the world to an inflection point, the critical thinking skills you have learned during the course of your university education will become more important than ever. The advancements in science and technology are redefining the frontier of what is possible, and as such, it is important to understand that each new advance brings its own set of implications and ethical questions. You have been prepared to engage in this process and shape the future responsibly. And as you face the challenges and opportunities to come, always keep your focus on social justice, which is a pillar of the mission you have been part of at UIC.

Today, we mark the end of this stage of your journey. You have reached your goal, and you are here to be recognized. At the end of this ceremony, you will be our newest alumni and the next generation of UIC ambassadors. The entire university community shares my great pride in your hard work and the sacrifices you have made to reach this moment.

I am confident that your future accomplishments will make a difference in people's lives. This is the UIC legacy and it is now part of yours.

Congratulations Class of 2023!

College of Architecture, Design, and the Arts

KEVIN BETHUNE | Chief Creative Officer

Kevin Bethune is the founder and chief creative officer of dreams • design + life, a “think tank” that delivers design and innovation services using a human-centered approach. Kevin’s background spans engineering, business, and design in equal proportion over his 25+ year career, positioning him to help brands deliver meaningful innovations to enrich people’s lives. His work represents creative problem-solving that brings multidisciplinary teams together to see the future through an open aperture and a deep industrial design approach to inform and influence desirable, feasible, and business-viable design outcomes.

Kevin began his career as a mechanical engineer in the nuclear power industry. This chapter gave him deep product experience working with high performing teams across 14 nuclear reactor upgrade campaigns. After his MBA, Kevin joined Nike, Inc. in a business capacity, but quickly navigated to the Global Footwear product engine to drive advanced digital product creation capabilities, discovering the world of design in the process. Kevin then carved his own path under the banner of dreams • design + life, focusing on unlocking human potential through strategic design, industrial design, and the building of new ecologies. Kevin also serves as a board trustee for ArtCenter College of Design and the board chair for the Design Management Institute (DMI).

College of Business Administration

CURTIS GRANDERSON | Former MLB Player

Curtis Granderson, a former MLB outfielder, is considered one of the most philanthropic athletes in professional sports. The three-time MLB All-Star and Roberto Clemente Award winner is also the founder of the Grand Kids Foundation (est. 2007) which aids in positive youth development through education, physical fitness, and nutrition initiatives. In addition, the organization’s annual food insecurity campaign, Grand Giving, has helped supply over 35 million meals to families in need.

The University of Illinois Chicago alumnus personally donated \$5 million to develop Curtis Granderson Stadium at UIC in 2014, which provides thousands of inner-city kids the opportunity to play baseball on a college campus via the Chicago Baseball & Educational Academy—a Grand Kids Foundation partner. In 2020, Curtis retired after 16 years in the MLB and currently serves as the president of the Players Alliance, a nonprofit composed of 150 Black MLB players united to create increased opportunities for the Black community in the game of professional baseball. He is excited to continue his work diversifying the sport, paving the way for more young kids to learn and grow through baseball.

KEYNOTE SPEAKERS

College of Dentistry

SUSAN ROWAN | Dean, UIC College of Dentistry

Dr. Susan Rowan is a University of Illinois Chicago professor and interim dean of the College of Dentistry. She is a proud UIC graduate, receiving her BS and DDS from the UIC College of Dentistry and an MS in patient safety leadership from the University of Illinois College of Medicine. Additionally, she has completed a teaching fellowship with the College of Medicine's Department of Medical Education and a leadership fellowship with the American Dental Education Association. Dr. Rowan also participates in grant-funded research studies about dentist prescribing patterns in the United States.

Rowan served as a faculty member, and later as a managing partner, teaching in the predoctoral curriculum since 1984. As an educator, Rowan contributed to dental student learning through monitoring and coordination of the student clinical experience in the Group Practice Clinic and across its community-based partnership sites. She additionally coordinated faculty evaluations, documentations and convened faculty on a regular basis to evaluate student progress and identify any learning deficiencies. Her guidance in this arena evaluated the readiness of students for progress to subsequent semesters, external rotations and, ultimately, preparation for graduation.

JITU BROWN BIOGRAPHY

Jitu Brown, married and father of one child, is the national director for the Journey for Justice Alliance, a network of grassroots organizations in over 30 cities organizing for community driven school improvement; and was formerly the education organizer for the Kenwood Oakland Community Organization (KOCO). Born and raised in the Rosemoor neighborhood on the far south side of Chicago, Jitu is a product of Chicago Public Schools. Jitu studied at Eastern Arizona College and Northeastern Illinois University, majoring in communications with a minor in Spanish.

For 10 years, Jitu taught African-American history at St. Leonard's Adult High School, the only accredited high school in that nation that exclusively serves people who have been formerly incarcerated. A believer in working locally and thinking globally, Jitu has taken youth leaders from KOCO to the United Nations, to the Passamaquoddy Native American reservation in Maine, and to the UN Conference on Racism in South Africa. He has been published in the national education magazine *Rethinking Schools*, the *Washington Post*, and the *New York Times* and appeared in *Ebony* magazine and on several talk shows, including MSNBC's *Melissa Harris-Perry* and *The Ed Show*, Al Jazeera America, WBEZ's *Community Voices* and *Democracy Now*, and CLTV's *Gerard McClendon Live*. Jitu is a Public Voices fellow for the Ford Foundation's Op-ed Project and a senior fellow for Racial Equity with the Atlantic Institute.

College of Urban Planning and Public Affairs

GIA BIAGI | Commissioner

Gia Biagi is an urban planner and designer with experience in the private and public sectors who was appointed commissioner of the Chicago Department of Transportation (CDOT) by Mayor Lori E. Lightfoot in December 2019. The mayor charged Biagi with implementing a vision for a transportation system that prioritizes equity and mobility and works to lower the economic and environmental burden of transportation on residents and communities, especially for people in poverty and people with disabilities.

Biagi spent more than a decade in public service as a planner for the City of Chicago, with roles that included chief of staff for the Chicago Park District, as well as with the Department of Planning and Development. Much of her work for the city focused on neighborhood revitalization through planning, programs, policies and capital investments in our park and recreation system, a network that touches nearly every corner of the city.

Biagi attended the University of Michigan for her Bachelor of Arts degree and has a Master of Urban Planning and Policy from the University of Illinois Chicago.

JESSE G. REYES | Appellate Justice

Jesse G. Reyes is currently a justice on the Illinois Appellate Court, First District. In addition, he serves as the chair of the First District's Executive Committee and cochair of the court's Diversity and Inclusion Committee.

Justice Reyes previously served as a member of the Executive Committee, presiding justice of the Fourth Division and the Fifth Division, and the former chair of the Settlement Conference Committee. He has been a member of the judiciary since December 1997, serving both as an associate judge and elected judge of the Circuit Court of Cook County. His previous judicial assignments have included the Chancery Division's Mortgage Foreclosure/Mechanics Lien Section, Domestic Violence Court, and the Sixth Municipal District. He also served on several Circuit Court committees before being elected to serve on the Illinois Appellate Court.

Justice Reyes received his BA from the University of Illinois Chicago and his JD from what is now the University of Illinois Chicago School of Law.

School of Public Health

RACHEL L. LEVINE, MD | Assistant Secretary for Health

Admiral Rachel L. Levine serves as the 17th assistant secretary for health for the U.S. Department of Health and Human Services (HHS) and the head of the U.S. Public Health Service Commissioned Corps. She fights every day to improve the health and well-being of all Americans. She's working to help our nation overcome the COVID-19 pandemic and build a stronger foundation for a healthier future—one in which every American can attain their full health potential. ADM Levine's storied career, first, as a physician in academic medicine focused on the intersection between mental and physical health, treating children, adolescents, and young adults. Then as Pennsylvania's physician general and later as Pennsylvania's secretary of health, she addressed COVID-19, the opioid crisis, behavioral health, and other public health challenges.

ACADEMIC DRESS

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century and was worn primarily for warmth. Subsequently, material of the gown and the lining and the shape of the hood represented the economic and social as well as the academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code the bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. All gowns were originally black, although the adoption of colored gowns by individual institutions in the United States is becoming more prevalent.

The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or may be the color of the subject to which the degree pertains. Material of the gown and hood for the bachelor's and master's degree is usually of cotton poplin, and for the doctor's degree, of rayon or silk ribbed material. The bachelor's gown is worn closed; the master's and doctor's gowns may be worn open or closed. Women may wear white collars with the bachelor's gown when no hood is worn.

The hoods, which differ in length for the three degrees, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. The bachelor's hood is three feet in length; the master's hood is three and a half feet, and the doctor's hood is four feet long. At the University of Illinois at Chicago the lining of the hoods is flame and indigo. For PhD students, the trim of the hood is indigo. For other doctoral students and for master's students, the velvet trim at the edge of the hood denotes the field of study. UIC graduating seniors do not wear hoods.

The mortarboard cap is standard in the United States. Usually all tassels are black, but where the graduating seniors do not wear a hood, as at the University of Illinois, the color of the cap tassel indicates the type of degree earned. Students receiving a bachelor of arts degree wear white tassels; those receiving a bachelor of science degree wear gold. Doctor's caps may have tassels of gold thread. At the University of Illinois, candidates for degrees wear tassels on the right front quadrant of their caps before degrees are conferred and change them to the left front quadrant after degrees are conferred by the president. Caps are considered a part of the costume.

Gold, silver, and bronze cords worn by some graduating seniors signify the three levels of University Honors. Gold cords signify summa cum laude, silver cords signify magna cum laude, and bronze cords signify cum laude. Gold stoles identify graduates who are members of the Honors College. Red cords distinguish students who have been recognized for service and/or leadership. Some students also wear cords or stoles signifying their membership in campus organizations or activities. The Jewel of Office and gold collar, which is worn by the president, was presented to the university by the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the collar are engraved the names of the presidents of the university and their years of service. Trustees of the university are identified by their blue gowns with blue velvet panels outlined in orange cord.

For all academic purposes, the colors associated with the different subjects are as follows:

Agriculture	Maize
Applied Health Sciences	Green and Gold
Architecture and the Arts	Brown
Business Administration	Royal Blue
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Forestry	Russet
Health Professions Education	Gold
Journalism	Crimson

Liberal Arts and Sciences	White
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive
Philosophy	Dark Blue
Public Administration	Peacock Blue
Public Health	Salmon
Social Work	Citron
Theology	Scarlet
Urban Planning	Wedgewood Blue
Veterinary Science	Gray

(UIC does not offer all of these degrees; however, faculty and platform party members may hold degrees in these areas.)

This program contains official lists of names of graduates who received degrees in summer and fall 2022 from colleges that did not participate in fall commencement and unofficial lists of names of candidates for spring 2023 graduation. The names of spring 2023 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in spring 2023 Commencement ceremonies.

Summa cum Laude ("Highest praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for spring 2023 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

The School of Law also awards Latin honors with the top 1 percent of the JD graduating class earning summa cum laude, the top 4 percent earning magna cum laude, and the top 15 percent earning cum laude.

Doctoral (all Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, Doctor of Philosophy, and Doctor of Physical Therapy) and master's (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.
