

COMMENCEMENT

2021

Donald J. Edwards
Chairman of the Board
of Trustees

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus of the U of I System, I am honored to bring greetings and congratulations to the Class of 2021!

You have been through so much to reach today's milestone, juggling your studies with the historic challenges of a global pandemic. In the process, you have done even more than achieve your dreams. You have also helped make our universities among the safest in our nation—a model for our peers—and I am deeply grateful for your understanding, your cooperation, and your sacrifice.

Although it has been a few years since I was in the seat you are in today, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future might hold. That feeling is understandable. But rest assured that the world-class education you received here, in and out of the classroom, has given you the foundation to succeed and flourish.

As you head off to make your mark on the world, know you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks—nearly 800,000 strong from across the U of I System's three, best-in-class universities. As our alumni have since our founding over 150 years ago, I hope you will carry our flag with pride. Your successes will carry us forward, adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps.

I hope you will come back to campus often—to share your achievements, your experiences, and your insights. And as you are out there changing and improving society, the entire world over, know that all of us you have left behind will be working for you, ensuring that the value and prestige of the degree you worked so hard to earn continues to grow.

Congratulations again, Class of 2021!

Timothy L. Killeen
President

Congratulations, Class of 2021!

College years are always a lifetime memory. But yours are literally historic, a time that your children, grandchildren, and great-grandchildren will learn about during their own educational journeys.

You earned your degrees amid the worst pandemic in a century and the myriad worries, stresses, and restrictions it created. A bulk of classes moved online. Attending in-person classes added COVID-19 testing to your weekly schedules. Traditional campus activities were limited, even simple pleasures like time with friends.

Still, you achieved your dreams and so much more. You also helped make the University of Illinois System a model for the nation as our three campuses remained safe and many classrooms remained open this year while peer universities struggled. It is a success story that made headlines across the country, thanks to a pioneering homegrown testing protocol and your understanding, cooperation, resilience, selflessness, and sacrifice.

Those same qualities will also carry you far in the next chapter of your life that begins tomorrow. And, coupled with the talents and civic-minded spirit you nurtured here at UIC, you are primed to flourish.

But first things first. Take some time today to reflect on everything you've accomplished and the tremendous milestone you have reached. There are a small handful of days in life that you will never forget. From my own experience and the beaming faces I have seen at nearly 40 years of commencements, I can tell you that your graduation is one of them. So I hope you savor every minute of it.

Congratulations again, Class of 2021! It is an honor to celebrate you, joined by the proud family and friends who have supported you along the way.

I hope the lessons you learned exceed the high expectations that brought you here and guide you to the future you imagined.

Enjoy your day and come back often.

Michael D. Amiridis
Chancellor

Dear 2021 Graduates:

Each year, I had the honor to write a letter to our graduates that was printed in the commencement ceremony program, congratulating them on their success in meeting the demands of their academic careers at the University of Illinois Chicago. Every year, the programs were placed on the graduates' seats, waiting for them as they gathered with their guests to witness the university formally recognize their accomplishments and confer their degrees.

This year, you and your guests are receiving this letter electronically because the public health restrictions in Chicago do not allow us to celebrate together. But while the COVID-19 pandemic has changed nearly everything in our lives, it has not changed what you have achieved over the course of your studies at UIC! This important day in your lives rises above the conditions that are keeping you away from our campus and will always be a testament to your perseverance and accomplishments.

You have successfully reached the end of this stage of your academic journey. You have been challenged to reach your highest potential, even in the face of an unprecedented health crisis, and you have succeeded. You are now UIC alumni and the next generation of UIC ambassadors. I assure you that the entire university community shares my great pride in your hard work and the sacrifices you have made to reach this point.

I have every confidence that your future accomplishments will make a difference in people's lives. This is the UIC legacy, and you now are part of it.

Congratulations Class of 2021!

This program contains official lists of names of graduates who received degrees in summer and fall 2020 from colleges that did not participate in fall commencement and unofficial lists of names of candidates for spring 2021 graduation. The names of spring 2021 graduates are as accurate as possible. However, due to certain deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

The following symbols are used in this program:

* **College Honors**

† **Cum Laude**

‡ **Magna cum Laude**

§ **Summa cum Laude**

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in spring 2021 Commencement ceremonies honoring students who earned degrees summer and fall 2020 and spring 2021.

Summa cum Laude ("Highest praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for spring 2021 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

John Marshall Law School also awards Latin honors with the top 1 percent of the JD graduating class earning summa cum laude, the top 4 percent earning magna cum laude, and the top 15 percent earning cum laude.

Doctoral (all Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, Doctor of Philosophy, and Doctor of Physical Therapy) and master's (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.
