

COMMENCEMENT

2021

Donald J. Edwards
Chairman of the Board
of Trustees

On behalf of the University of Illinois Board of Trustees, and as a proud alumnus of the U of I System, I am honored to bring greetings and congratulations to the Class of 2021!

You have been through so much to reach today's milestone, juggling your studies with the historic challenges of a global pandemic. In the process, you have done even more than achieve your dreams. You have also helped make our universities among the safest in our nation—a model for our peers—and I am deeply grateful for your understanding, your cooperation, and your sacrifice.

Although it has been a few years since I was in the seat you are in today, I still remember the mix of excitement and anxiety I felt, not knowing exactly what the future might hold. That feeling is understandable. But rest assured that the world-class education you received here, in and out of the classroom, has given you the foundation to succeed and flourish.

As you head off to make your mark on the world, know you carry a bond that forever connects you to your years on this remarkable campus. You are joining one of the world's largest alumni networks—nearly 800,000 strong from across the U of I System's three, best-in-class universities. As our alumni have since our founding over 150 years ago, I hope you will carry our flag with pride. Your successes will carry us forward, adding to our global reputation for excellence and attracting the new generations of students who want to follow in your footsteps.

I hope you will come back to campus often—to share your achievements, your experiences, and your insights. And as you are out there changing and improving society, the entire world over, know that all of us you have left behind will be working for you, ensuring that the value and prestige of the degree you worked so hard to earn continues to grow.

Congratulations again, Class of 2021!

Tim Killeen
President

To the Class of 2021, congratulations!

The memories you have gathered on the way to this moment and the exploration you have undertaken these past few years have collectively provided you with life-changing experience and the keys to the door that sits before, the one that opens onto opportunity.

You have achieved your dreams amid historical challenges that offered tests beyond anything you have experienced in a classroom.

At the outset of the COVID-19 pandemic, you adapted and briefly headed home to an unexpected world of online-only learning. But then you did the extraordinary in returning to UIC and, in the process, helping make the University of Illinois System a model for the nation.

Our three campuses have remained safe and, through your vigilance, gradually returned to so many of the conventions of normal campus life: in-person classes and labs; study sessions in libraries and elsewhere on your beautiful campus; sporting events and concerts; lunch or dinner—and laughter—with friends.

And now, commencement, and the well-earned sense of pride and achievement that goes with it.

Your accomplishments and your ability to adapt and innovate, as well as the sense of civic responsibility you have shown during your time at UIC, will serve you well in the years ahead.

But first, take some time today to reflect on the tremendous milestone you have reached, all that you have learned along the way. Today is among the small number of days in life that you will remember as long as you live. Savor every minute.

As you enjoy this moment, celebrate with those who have supported you along the way, and we look forward to seeing you again in the future when your return and share your discoveries and successes.

I am deeply honored to celebrate with you.

Congratulations again, Class of 2021!

Michael D. Amiridis
Chancellor

Dear 2021 Graduates:

Each year, I have the honor to write this letter to you, our graduates, congratulating you on your success in meeting and exceeding the demands of your academic careers at the University of Illinois Chicago.

At this ceremony, you are receiving once again this commencement program as it has been handed to graduates traditionally over the years, in the first in-person commencement ceremony since the onset of the COVID-19 pandemic. And while much has changed in nearly every aspect of our lives, including your studies over the past several semesters, what has not changed is your achievements over the course of your learning experience at UIC. This important day in your lives rises above the conditions that have challenged you in unprecedented ways and will always be a testament to your perseverance.

You have successfully reached the end of this stage of your academic journey. You have reached your goal, and you are here to be recognized. At the end of this ceremony, you will be our newest alumni and the next generation of UIC ambassadors. I assure you that the entire university community shares my great pride in your hard work and the sacrifices you have made to reach this day.

I have every confidence that your future accomplishments will make a difference in people's lives. This is the UIC legacy, and you are now a part of it.

Congratulations, Class of 2021!

ACADEMIC DRESS

Academic dress, consisting of cap, gown, and hood, originated about the twelfth century and was worn primarily for warmth. Subsequently, material of the gown and the lining and the shape of the hood represented the economic and social as well as the academic status of the wearer.

In the United States, the great majority of the academic costumes now worn are in accordance with the general provisions of the Intercollegiate Code of 1895, which was revised in 1932 and again in 1960. Under this code the bachelor's gown has pointed sleeves, the master's gown has oblong sleeves with an arc at the bottom, and the doctor's gown has bell-shaped sleeves. All gowns were originally black, although the adoption of colored gowns by individual institutions in the United States is becoming more prevalent.

The bachelor's and master's gowns are untrimmed. The doctor's gown is faced down the front with velvet and has three bars of velvet across the sleeves. The facing and bars may be black or may be the color of the subject to which the degree pertains. Material of the gown and hood for the bachelor's and master's degree is usually of cotton poplin, and for the doctor's degree, of rayon or silk ribbed material. The bachelor's gown is worn closed; the master's and doctor's gowns may be worn open or closed. Women may wear white collars with the bachelor's gown when no hood is worn.

The hoods, which differ in length for the three degrees, are lined with the official colors of the university or college conferring the degree, usually with one color forming a chevron pattern over the other. The bachelor's hood is three feet in length; the master's hood is three and a half feet, and the doctor's hood is four feet long. At the University of Illinois at Chicago the lining of the hoods is flame and indigo. For PhD students, the trim of the hood is indigo. For other doctoral students and for master's students, the velvet trim at the edge of the hood denotes the field of study. UIC graduating seniors do not wear hoods.

The mortarboard cap is standard in the United States. Usually all tassels are black, but where the graduating seniors do not wear a hood, as at the University of Illinois, the color of the cap tassel indicates the type of degree earned. Students receiving a bachelor of arts degree wear white tassels; those receiving a bachelor of science degree wear gold. Doctor's caps may have tassels of gold thread. At the University of Illinois, candidates for degrees wear tassels on the right front quadrant of their caps before degrees are conferred and change them to the left front quadrant after degrees are conferred by the president. Caps are considered a part of the costume.

Gold, silver, and bronze cords worn by some graduating seniors signify the three levels of University Honors. Gold cords signify summa cum laude, silver cords signify magna cum laude, and bronze cords signify cum laude. Gold stoles identify graduates who are members of the Honors College. Red cords distinguish students who have been recognized for service and/or leadership. Some students also wear cords or stoles signifying their membership in campus organizations or activities. The Jewel of Office and gold collar, which is worn by the president, was presented to the university by the University of Illinois Alumni Association. It is emblematic of the Office of the President and is worn at all formal academic ceremonies. On the collar are engraved the names of the presidents of the university and their years of service. Trustees of the university are identified by their blue gowns with blue velvet panels outlined in orange cord.

For all academic purposes, the colors associated with the different subjects are as follows:

Agriculture	Maize
Applied Health Sciences	Green and Gold
Architecture and the Arts	Brown
Business Administration	Royal Blue
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Forestry	Russet
Health Professions Education	Gold
Journalism	Crimson
Law	Purple
Liberal Arts and Sciences	White
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive
Philosophy	Dark Blue
Public Administration	Peacock Blue
Public Health	Salmon
Social Work	Citron
Theology	Scarlet
Urban Planning	Wedgewood Blue
Veterinary Science	Gray

(UIC does not offer all of these degrees; however, faculty and platform party members may hold degrees in these areas.)

This program contains official lists of names of graduates who received degrees in summer 2021 and unofficial lists of names of candidates for fall 2021 graduation. The names of fall 2021 graduates are as accurate as possible. However, due to printing deadlines, the names of some degree recipients may not appear, while names of degree candidates may appear even though they have not completed their degrees. The University of Illinois Chicago's official registry for conferral of degrees is the Office of Admissions and Records.

UNIVERSITY HONORS POLICY

The three levels of university honors listed below will appear on UIC transcripts for undergraduate students participating in fall 2021 Commencement ceremonies honoring students who earned degrees summer and fall 2021.

Summa cum Laude ("Highest praise"): 3.90 and above grade point average

Magna cum Laude ("High Praise"): 3.75 to 3.89

Cum Laude ("Praise"): 3.50 to 3.74

University honors will be awarded solely on grade point average earned at UIC. The determination of university honors for fall 2021 candidates for graduation will be based on grades reported through the end of the term prior to graduation. UIC will make permanent adjustments to the list of students receiving university honors based on final grades.

The School of Law also awards Latin honors with the top 1 percent of the JD graduating class earning summa cum laude, the top 4 percent earning magna cum laude, and the top 15 percent earning cum laude.

Doctoral (all Doctor of Education, Doctor of Nursing Practice, Doctor of Occupational Therapy, Doctor of Philosophy, and Doctor of Physical Therapy) and master's (all Master of Architecture, Master of Arts, Master of Arts in Teaching, Master of Design, Master of Education, Master of Fine Arts, Master of Health Professions Education, Master of Healthcare Administration, Master of Public Administration, Master of Science, Master of Science in Teaching, and Master of Urban Planning and Policy) degrees conferred by the Graduate College are listed under the respective disciplinary college.

THE STAR-SPANGLED BANNER

by Francis Scott Key

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?
